- drove into town around 1 P.M. and deposited the PDC money and did an errand or two in town before picking up Peg at 3 P.M. and driving her to her gynecologist in Clark Summit -- she has not been able to drive since her operation; the doctor's report is that she is fine & can go back to work in a week or so. Peg took me out to dinner to thank me for driving her to Clark Summit -- we ate at Jim Dandy's in CS; very nice; we then went out <sup>looking</sup> for some herb plants -- at the florist/greenhouse that is more or less attached to Shady Lane Cemetery, we struck it rich --

I brought {  
- 2 pots of <sup>upright</sup> Rosemary (*one for SAP* and one for DWP) - \$2/pot  
- two small seed trays of basil, @ 50¢/tray <sup>"ocimum basilicum"</sup>  
- one pot of "Majoram", *majorana hortensis*, perennials  
- two small seed trays of oregano at 50¢/tray -- this is a perennial I believe.

I may have a successful herb garden after all.

Dropped off Peg in Jermyrn (we had tea & she lent me her counter-top oven) and I drove to Carbondale, where I met, by chance, Tomaine & Henry in Memorial Park. We "put together" the money that we raised for the rehabilitation of the Scranton/Carbondale rail line and wrote a cover letter for Henry to read at the presentation

of the money to the County on Tuesday, at about 9 P.M. We went to Howard's and he wrote out some reimbursement checks for SAP, RJT -- about \$60 to RJT for the money he allegedly spent to Xerox and mail out copies of the <sup>CHSM</sup> minutes -- I know that he did not pay out the money, I know that he made the copies and mailed out the letters courtesy the Scranton Times, but I can't prove it. He is worse than Tom Clark, the contractor who extorted \$500 out of the CHSM during the City Hall roof repair project. Bob Tomaine will ultimately pay for having, in effect, stolen from the CHSM -- of that you can be certain.

at about 10 P.M.  
Returned to Elkhdale and withdrew for the evening.

"George V, by the Grace of God, King of Great Britain, Ireland, and the Dominions beyond the Sea, Defender of the Faith, Emperor of India" --  
quite a title, to be sure.
